- Mixed container consolidation - one invoice, full export documentation
- Quotation within 24-48 hours
- Serving Southeast Asia, the Middle East and beyond

ONE PARTNER - SIX CATEGORIES - 2,000+ SKUs

Power Tools

Hand Tools

Garden Tools

Measuring

Safety

Coatings

2,000+ SKUs across six core categories - plus auto-repair, tool storage, abrasives, welding and VDE lines.

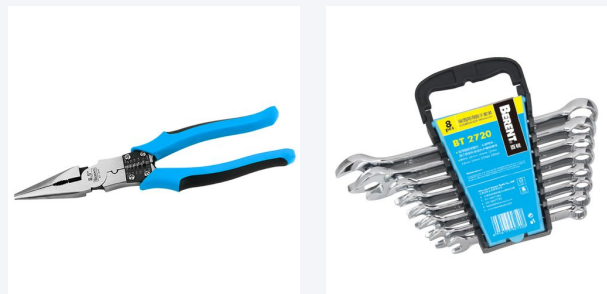

01 POWER TOOLS

20V cordless platform plus corded drills, grinders, saws and rotary hammers.

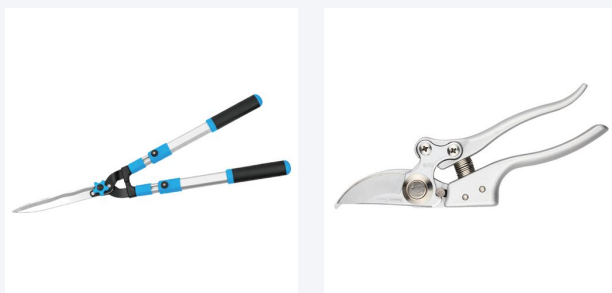

02 HAND TOOLS

Wrenches, pliers, sockets, screwdrivers, hammers, hex keys and tool sets.

03 GARDEN TOOLS

Pruners, hedge shears, saws, shovels and watering accessories.

04 MEASURING INSTRUMENTS

Tape measures, spirit levels, calipers, squares and distance meters.

05 SAFETY PRODUCTS

Work gloves, safety goggles, helmets, masks and ear protection.

06 INDUSTRIAL COATINGS

DUOSHAN epoxy, polyurethane, fluorocarbon, acrylic and alkyd systems for steel structures, containers, marine and machinery.

One battery. The whole range.

Every BERENT 20V tool - drills, impact drivers, angle grinders, saws, rotary hammers and garden tools - runs on the same Li-ion pack. Your customers buy into one platform and keep expanding.

- Brushless BL Motor options on key models
- 2.0Ah / 4.0Ah packs and fast chargers
- Spec cards for the full 20V range on request

START SMALL, SCALE FAST

A low-risk way to test BERENT in your market:

1 CATALOG & QUOTATION

Pick SKUs from the full BERENT catalogue. Quotation within 24-48 hours.

2 TRIAL ORDER

No MOQ. Start from 20-50 units - mixed models in one carton.

3 REORDER & ANNUAL PROGRAM

Mixed-container consolidation: one invoice, full export documentation.
